# weathered cypress resin finish specifications

(AVAILABLE FOR SLAB, SHAKER, LOUVER & CONTEMPO DOOR STYLES - CYPRESSKAST ONLY)

CypressKast

## 20%

FINISH FACTOR

### TECHNIQUE:

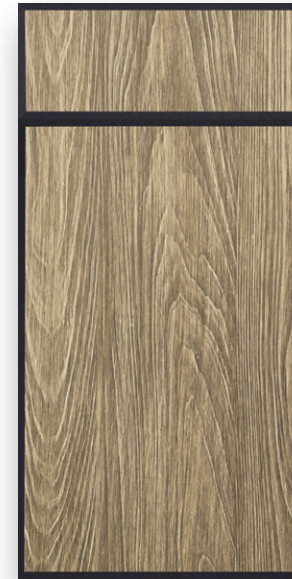

A base coat of paint is applied to the treated resin door followed by an exterior grade acrylic lacquer. This is followed by glazing and the application of artistic faux finishes and effects. Lastly, a UV inhibitor top coat is applied.

### DESIGN CONSIDERATIONS:

The backs of all doors with weathered finishes will come finished in black. Only available in CypressKast (Louver, Shaker, Slab & Contempo) door styles.

# choosing your finishes

NatureKast molded doors, drawers and panels are available in three distinctive finish categories to cater to the wide tastes in home decor, namely painted, weathered or stain & glaze.

Our doors are Kast from Cypress, Teak or Oak masters and offer the characteristics of real wood without the limitations.

## resin painted finish specifications

(AVAILABLE FOR SLAB, SHAKER, RUSTIQUE, LOUVER, RADIUM & CONTEMPO DOOR STYLES)

### TECHNIQUE:

The optimal number of coats of exterior grade latex paint are applied to the treated resin. This is followed by a UV inhibitor top coat.

### DESIGN CONSIDERATIONS:

Doors painted in Lunar White (Super White) and Picket Fence will have a matching white door back. All other paint colours, stain and glaze or weathered finishes come standard with black door backs regardless of cabinet interior colour.

### CUSTOM PAINTED & PRIMER CONSIDERATIONS:

Custom painted or primed parts allow you the freedom to finish your cabinetry in any colour you choose

- Exterior grade primer is applied to front & back of doors/drawers
- For custom finishes, specify paint brand & code in quote comments
- Primed parts require finishing with an exterior grade latex paint
- Edge banding will match the PVC cabinet box
